

2014 World's Finest Chocolate Skate Atlantica

East Hant's, NS

March 28-30, 2014

Skate Canada PEI will once again be supporting Skate Atlantica to be held in East Hants Nova Scotia, March 28-30, 2014. Skaters from PEI, NS, NB and NFLD will qualify to attend. Our Section can qualify up to 6 skaters in each of the FreeSkate events at our STARSkate Competition in O'leary March 1-2, 2014. The top six skaters will be eligible to advance. Should one of these skaters choose not to attend, the next eligible skater will be offered the position until all 6 spaces are filled. Based on our current STARskate registration, all skaters in the following events will be eligible to advance:

STAR 5 Under 10
STAR 5 Under 13
Sr. Bronze Women
Sr Silver Women
Pre-Novice Women
Novice Women

Skaters in these events should decide whether they are going to attend and complete the registration form and hand it in at registration with the registration fee or it can be mailed to me prior to the event at PO Box 149, Winsloe C1E 1Z2. Cheque or money order should be made payable to Skate Canada PEI. DO NOT MAIL CASH. I can accept cash onsite and a receipt will be provided.

In the **STAR 5- 13 and over**, skaters will need to qualify through the STARskate event due to the large number of skaters. Skaters must hand in their registration form at the conclusion of the freeskate event and make their intentions known so that if not attending, another skater may have the opportunity.

Skaters registered for the first time in Skate Atlantica will also receive a team jacket at no cost. Please see me at STARSkate for sizing.

Coaching

Parents should discuss the option of attending Skate Atlantica with their coach to determine the coaching options available as well as cost. Coaching costs including accommodations and travel are generally shared among the skaters of the coach. Please have this discussion so that you know what costs are involved and will be able to make a decision.

Accommodations

There is information on various hotels in the vicinity contained in the announcement. Parents are asked to book their own rooms at the hotel of their choice and will be responsible for all costs.

Skaters Party

Skate Canada NS has once again organized a Skaters Fund Night on Friday evening which was very well received last year and the skaters had a great time. Information will be forthcoming as the event approaches.
