

Bid for Hosting 2009 STARSkate Competition

We the _____ Figure Skating Club are interested in hosting the 2009 STARSkate Competition. We have read the criteria for the host club and believe we can meet all the requirements.

Our arena has _____ dressing rooms available for use, which are clean and warm for skaters waiting to compete in their events. Our stands are clean and we have plenty of room for spectators.

We can access ice for the whole weekend of _____. Friday night we have ice available from 5 pm until 8:30 pm for the Synchronized event. Saturday from 8 am until 9 pm and Sunday from 8 am until 4 pm at a rate of _____/per hour.

We will have a judge's stand built to accommodate the judges with heat available to them through either a rink heating system or blankets etc.

We have access to a hospitality room with sink, stove, fridge and running water. Our club will also have volunteers to sit on the competition organizing committee and help with the competition. We also understand that the Synchronized Competition is to be run by our club with us supplying all volunteers, hospitality etc for this portion of the event.

We have access to hotels located at _____

We have a room available for accountants, which is clean, warm and has access to several electrical outlets. It is also accessible to the ice surface via _____

Our music room is able to accommodate both tapes and CD's and we will be able to supply volunteers for both playing and announcing for the entire weekend.

We have a canteen, which will be open for the entire weekend for families attending the event.

We have an area large enough to accommodate medal presentations.

If required, we can also access a private hospitality area for accountants and judges.

If you need any further information, please contact _____

Yours truly,
